# Welcome to the Cockhedge Medical Centre

**Cockhedge Medical Centre is based in modern, purpose-built premises with car parking facilities.**

**The practice has suitable access and facilities for all patients including designated parking spaces for disabled patients. The waiting room offers a range of literature for all patient groups. A portable induction loop is available at reception for use by patients; please ask a receptionist for further information.**

**This booklet will give you and your family all the information you require. Please keep this in a safe place for future reference.**

**For further information on the services we provide, please visit our website at:**

**[www.cockhedgemedicalcentre.co.uk](http://www.cockhedgemedicalcentre.co.uk)**

**Your named GP & Medical Director of the practice is:**

**Dr Martin-John Whitenburgh  
MBChb Qualified 1992  
Special interest: A&E Medicine**

**There are also several allied health professionals based at the surgery who provide continuous support for the patients within the practice. Please note all Doctors and Locums have full access to your complete medical record. This Practice is not a partnership nor is it a teaching Practice.**

## **The Practice Team**

### **Practice Manager: Stephanie Whitenburgh**

Stephanie Whitenburgh will be able to help you with any administrative problems you may have with the way our practice is ran. If you have any suggestions to make for an improved service, or any complaints please address them directly to her.

### **Patient Advisors**

Our team of patient advisers are trained to help you. A patient adviser is always available between 8.00am and 6.30pm during the week. They are here to welcome you, direct, book appointments, arrange home visits and deal with certain queries which you may have. Please ask if you wish to speak to a patient adviser in private.

### **Health Visitors**

Health visitors' are qualified nurses with additional qualifications in the health of babies and young children. Their areas or expertise include baby massage, breast feeding advice, early parenting advice, women's health issues and family planning advice.

The Link Health Visitor for the practice can be contacted on (01925) 946915 or via email [alwch.0to19@nhs.net](mailto:alwch.0to19@nhs.net)

### **Practice Nurse: Amanda Coombes**

Consultations with the Nurse are available every weekday apart from a Wednesday. Amanda is qualified in specific areas of disease/health promotion management e.g. Diabetes, Asthma/COPD, Heart Disease, Well persons check, Travel Advice, Family Planning, Smoking Cessation and Immunisations. General treatment room procedures: ECG's, blood pressure checks and new patient checks are also carried out.

### **Clinical Pharmacist**

Is responsible for clinical medication reviews, reviewing patients on complex medication regimes and support patients to take their medications, reduce waste and promote self-care.

### **Mental Health Practitioners**

Assess patients by discussing their mental health conditions and offer one-to-one therapy sessions.

## Social Prescriber

Takes a holistic approach to patient's health and well-being to connect them to appropriate community groups and services without the need for medical intervention.

## Care Co-ordinator

Helps patients make the right connections with the right teams at the right time.

## District Nursing Team

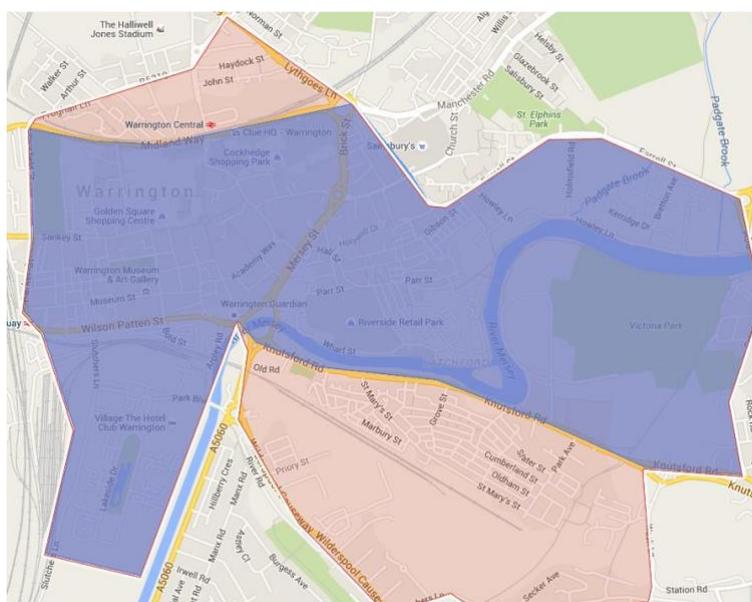

The district nursing team is attached to the practice. It consists of highly skilled nurses who offer advice and support to patients and families-giving specialist nursing care to patients in their own home.

## Community Midwives

The midwives offer specialist advice in both antenatal and postnatal care. To be referred to your community midwife complete an online referral at <https://www.whh.nhs.uk/services/maternity>. Upon receipt of the referral a midwife will be in touch within 7-10 working days to arrange your first appointment. You do not need to see your GP.

## How to register

We are pleased to accept any patients residing within the town centre of Warrington as shown in blue on the map below:

Please bring with you proof of identity, your address and ensure you allow sufficient time to complete the registration process. You can pre-register online, and further information can be found at [www.cockhedgemedicalcentre.co.uk](http://www.cockhedgemedicalcentre.co.uk)

Once you are registered with us you will be able to book selected appointments online, order repeat prescriptions and access your health record (a separate form is required for this). Please speak to a member of reception team.

We regret to inform you that if you move out of our catchment area you will need to find a GP practice that serves your new area.

### **[Change of Address and Telephone Numbers](#)**

We ask that you notify us of any change of your address, your name or telephone number. This will enable us to update your records. You can amend your address or contact number online at [www.cockhedgemedicalcentre.co.uk](http://www.cockhedgemedicalcentre.co.uk). For a change of name, the practice will need to see proof of this, i.e. a Marriage Certificate or Deed Poll.

As a new patient, we will offer you a new patient health check which is carried out by the practice nurse.

If you have any questions about the registration process, please speak to a member of staff who will be able to help you.

### **[Appointments](#)**

Appointments may be made online or by telephoning (01925) 244655. The practice also offers the option to use Patches by accessing the practice website [www.cockhedgemedicalcentre.co.uk](http://www.cockhedgemedicalcentre.co.uk).

In order to allocate you the most appropriate clinical resources, the patient advisors will ask you about the nature of your appointment. Appointments are available from 8.00am.

### **[Extended Hours](#)**

On Tuesdays, Wednesdays, and Thursdays the practice offers early appointments commencing at 7.30am. There are a limited number of appointments which are available to book in advance, if unsure please speak to reception who will be happy to explain our protocol. The practice also offers enhanced access delivered through 'hubs'. You may be required to travel to a different local practice to access this service.

## Home Visits

Requests for a home visit should be made before 10.00am, except in cases of emergency. The patient advisor will ask you the reason for a visit. Only on grounds of MEDICAL NEED, following a discussion with the Doctor, will a home visit be arranged. The home visit will be undertaken by the Home Visiting Paramedic Service. This service is for housebound and terminally ill patients only. For your information the visiting guidelines are available from reception.

## Our services:

- Immunisations/Vaccinations
- Well-woman & Well-man clinic
- Chronic disease management
- Contraception
- Cervical screening

## Out of Hours

When the practice is closed, patients are advised to contact the NHS 111 service for all non-life-threatening cases. The 111 operative will advise you accordingly.

In an emergency, dial 999 and ask for the ambulance service. Chest pain and shortness of breath are classed as emergencies.

## The Nearest Walk in Centres are at:

Runcorn  
Cheshire  
WA7 2DA

**Open: 8am to 9pm, 7-days week**

**Text phone: 01928 714567**

**Your local pharmacy is available for treatment of minor ailments.**

### **Repeat Prescriptions**

**We do not except prescription requests by phone.**

To avoid being issued with the wrong medication we can only accept written requests. If it is not convenient for you to bring the slip into the practice, you may post it to us with a stamped address envelope. Alternatively, you may request repeat items online once you have completed one of our online access forms. Please call into the practice and ask at reception to register for this service.

**Please allow 48 hours (excluding weekends and bank holidays when ordering repeat prescriptions).**

### **Test Results**

Cervical screening tests, urine tests, blood tests etc. are carried out for the benefit of your health. If there are any abnormalities with the test results the practice will contact you to arrange an appointment with a clinician. It is advisable to telephone for test results after 2.00pm. To ensure patient confidentiality no results will be given to any other person without written consent to disclose information to a third party.

We do not routinely contact patients with test results.

### **Training**

Although we are not a training practice, we will on occasion have student nurses, pharmacy technicians and other allied healthcare professionals

working on-site. You will be advised if this is the case and asked if you are happy for them to be present when you are being seen.

### **Comments, Suggestions & Complaints**

We make every effort to give the best service possible to everyone who attends our practice. However, we are aware that things can go wrong, resulting in a patient feeling that they have a genuine cause for complaint. If this is so, we would wish for the matter to be settled as quickly, and as amicably, as possible.

If you wish to make a complaint or comment on the provision of service, please contact the Practice Manager who will provide details of our complaint's procedure.

### **Patient Responsibilities**

Our patient advisers are here to help and will always try to accommodate your requests and give you an appointment with your named GP or with a clinician you have requested. However, this may not always be possible, but the team will do their best to assist you.

We request that you arrive promptly before your appointment, ideally five minutes early. If you are unable to keep your appointment, please telephone us as soon as you know. Cancelling will enable us to offer your appointment to another patient who needs to be seen.

Appointments cancelled with less than 24 hours' notice constitute as a 'Did Not Attend' (DNA) and will be recorded in your health record. Three DNAs within a twelve-month period will be discussed with the management team and it may result in you being asked to register at another practice.

### **Zero Tolerance**

This practice operates a zero-tolerance policy, and the safety of our staff is paramount at all times. Staff have a right to care for others without fearing being attacked physically or verbally. We will not tolerate abuse towards our staff under any circumstances.

Abusive patients will be asked to leave the practice and may be removed from the practice list. We will have no hesitation in calling the police if any patient acts in an abusive manner and is deemed to be a threat to staff and/or patients.

**A good doctor-patient relationship is fundamental to excellent patient care. The removal of a patient from the practice list is no commonplace and is a measure that is taken as a last resort.**

### **Patient Data**

**All clinical and administrative staff have an ethical as well as a legal duty to protect patient information from unauthorised disclosure and in accordance with UK GDPR.**

**The patient privacy notice is available on the practice website.**

### **Patient Participation**

**We are currently recruiting patients to join our Patient Participation Group (PPG), to ensure that our patients are involved in decisions about the services provided by the practice. Further information about our PPG is available online at [www.cockhedgemedicalcentre.co.uk](http://www.cockhedgemedicalcentre.co.uk). Alternatively, contact Stephanie Whitenburgh, who is the nominated point of contact for all PPG matters.**
