<p>New Patient Questionnaire for newly arrived migrants in the UK</p>	<p>Bagong Palatanungan ng Pasyente para mga bagong dating na migrante sa UK</p>
<p>Everyone has a right to register with a GP. You do not need proof of address, immigration status, ID or an NHS number to register with a GP.</p> <p>This questionnaire is to collect information about your health so that the health professionals at your GP practice can understand what support, treatment and specialist services you may need in accordance with the confidentiality and data sharing policies of the National Health Service.</p> <p>Your GP will not disclose any information you provide for purposes other than your direct care unless: you have consented (e.g. to support medical research); or they are required to do so by law (e.g. to protect other people from serious harm); or because there is an overriding public interest (e.g. you are suffering from a communicable disease). Further information about how your GP will use your information is available from your GP practice.</p> <p>Return your answers to your GP practice.</p>	<p>Lahat ay may karapatang mag-register sa isang GP. Hindi kailangan ng patunay sa tirahan, katayuan bilang imigrante, ID o isang NHS number upang mag-register sa isang GP.</p> <p>Layunin ng palatanungang ito na kumuha ng impormasyon tungkol sa kalusugan mo upang maunawaan ng mga propesyonal sa kalusugan sa inyong GP practice kung anong suporta, paggamot at mga serbisyo ng espesyalista ang maaaring kailangan mo alinsunod sa mga patakaran sa pagkakompidensyal at pagbabahagi ng data ng National Health Service.</p> <p>Hindi ipapaalam ng iyong GP ang anumang impormasyong ibibigay mo para sa ibang layunin kundi para sa direktang pangangalaga mo lang maliban kung: nagbigay ka ng pahintulot (hal. para suportahan ang medikal na pananaliksik); o inatasan sila ng batas (hal. para protektahan ang ibang tao mula sa malubhang pinsala); o dahil may isang nangingibabaw na interes ng publiko (hal. dumaranas ka ng isang nakakahawang sakit). Available mula sa iyong GP practice ang higit pang impormasyon tungkol sa kung paano gagamitin ng iyong GP ang iyong impormasyon.</p> <p>Ibalik ang mga sagot mo sa iyong GP practice.</p>
